TRUST UPDATE – June 24, 2021

COVID-19 – DEADLINE UPDATE: The Trust will further extend some of its temporary COVID-19 policies, which were last described in a March 19, 2021 Trust Update.

Specifically, Release and Indemnity Agreements that are executed, dated, and submitted between March 27, 2020 and September 30, 2021 will not need to be signed by a witness and may be signed by an Injured Party (or their representative, if the Injured Party is deceased) by hand or through DocuSign. Additionally, affidavits that are executed, dated, and submitted between March 27, 2020 and September 30, 2021 will not need to be notarized if they state that they were executed under the penalty of perjury. Affidavits may be signed by hand or through DocuSign.

If a Release and Indemnity Agreement or affidavit is signed through DocuSign, the claimant or the claimant's attorney also must submit satisfactory documentation generated by DocuSign of the process followed to obtain the electronic signature.
