

DII Industries, LLC Asbestos PI Trust

TRUST UPDATE – February 22, 2023

Forecast: In accordance with the Trust Distribution Procedures, the Trust is re-evaluating its 60 percent Payment Percentage. The Trust expects to complete this process later this year, and, as always, it may result in an increase or decrease to the Payment Percentage. As a reminder, the Payment Percentage applicable to a claim is the Payment Percentage in effect when the claim is paid unless otherwise provided in the Trust Distribution Procedures. Therefore, if the Payment Percentage changes while a claim is pending, the Trust will use the new Payment Percentage to calculate the claim's payment amount if it is approved.
