

DII Industries, LLC Asbestos PI Trust

TRUST UPDATE – July 18, 2023

Economic Losses: The Trust will not consider evidence of economic losses unless the claimant elects Individual Review, states the total amount of losses asserted in Part 8 of the claim form, and submits documentation to support the claimed losses. This documentation must include third-party evidence of death or disability directly attributable to an asbestos-related disease and an economic report or other evidence describing the calculation of the losses.
